2021 JOGATHON RUNDOWN

SUPPORT OUR SCHOOL! OCTOBER 1-22, 2021

Our **one and only fundraiser** of the whole school year is back for 2021! This is the fourth year for this fun, spirit-filled event. We have reinvisioned Jogathon for our not-quite-normal year and are so excited to come together as a community to support our wonderful school. Our fundraising goal for this year's Jogathon is **\$65,000**. Students are encouraged to reach out to family, friends and neighbors in an effort to reach a per household goal of **\$250**. While we realize not every family will meet that goal, we know others will exceed it. Every contribution helps bring us closer to our goal and every student can take pride in knowing that their Jogathon participation directly helps their school! The money raised will provide opportunities and resources for Wilkes students and staff - from teacher grants and school supplies to enrichment programs and community events, plus so much more!

This year's event will look different than years past, but classes will still be rallying together to celebrate our community-wide fundraising effort. Let's just say PE the week of October 18th will be something special! And student favorites like the costume contest, prize drawings and the poster contest are all going to be part of the fun.

Hey Wilkes Whales!

We're challenging you to get at least 15 minutes of physical activity every day from now until October 22nd.

More is awesome and less is still great, so use this tracker to record your active minutes each day. The grade level that logs the most active minutes will win a bonus recess! So get busy biking, walking, skateboarding, dancing... however YOU like to move. And be sure to bring this sheet back to school on Friday, October 22nd so we can add your minutes to your grade's tally.
