- **Principals update - Drew Crandall:** 6th grade ceremony will be on TUESDAY next week, not on Monday. There are four Kay Sakai Award winners this year, and then donuts and breakfast will happen afterwards. Kids will get their yearbooks on Monday. 5th grade field day will happen on Monday, 6th grade will be off campus on Monday at a movie. Chromebooks will be shut down by the district over the summer so they are not operational. Families should tuck them away for the summer at home. They will be turned on the first day of school next year. Woodward and BHS may have them on slightly earlier, TBD. School bell schedules will all look different next year. Sakai will have thirteen half days next year. School start times do not change. Thank you to the PTO board! All teaching positions are filled for next year with the staff that we have and new staff that has come in. That said, there are some open positions in the district so some folks could move around and there will be a few more new hires.
- **Treasurers report - Lara Deits:**
- **Budget approval - Lara Deits:** We have about \$20k in reserves for next year. The district is paying for IXL and math, so there may be extra savings around curriculum. School supplies are at \$2700. Magda made a motion to approve the budget, Brandi approved the motion, the budget is approved!
- **5th grade field day - Magda Pratt:** Field day is Monday! All volunteers are signed up.
- **6th grade movie & breakfast - Magda Pratt:** Jenni ordered donuts from Space City in Poulsbo for the breakfast. The movies are ready to go!
