        - We've nearly spent down what we fundraised this year
    - Secretary update
    - Leadership Chair update
- Committee Reports
    - After School Enrichment update
    - Camp Parsons update
        - There will be a table at Arts Night with more information about Camp Parsons
    - Fundraising update
    - Communications update
    - Events update
    - Garden Committee
        - We are still looking for two replacement garden leads for next year
        - These lead positions include garden mini class leadership, as well, though that position is sometimes given to an additional person besides the garden leads
        - The garden lead job description is on the garden page on Konstella - you can also reach out to Carlee for more information
    - Mini Class update
        - Program leads for next year would be amazing
        - Coordination support would also be helpful for continuity
        - The Camp Parsons planning team suggested having everyone experience a mini class

Family Feedback

80+ families responded, strongly positive

"This has been the best year for mini classes in terms of how you structure it." — Parent, 5-year Odyssey family

"It's so calming and fun I love it" — student on knitting

"The cooking addition has been a bit hit" — student on knitting

A few classes felt too big - not enough hands on time.

Service learning had mixed engagement

Operations

2024/25

- Built technology solution for Google surveys + "Sorting Hat" python program to plan classes and assign kids
- Kids provided general preferences and we assigned
- Recruiting prior to each session parents through direct messaging and email funneling through coordinators

2025/26

- (same technology and preferences)
- Recruiting prior to each session parents through direct messaging and email funneling through coordinators + last minute sign ups on Konstella

    - Readiness & Resilience Committee update
- Unfinished Business
- New Business
    - 2026 - 2027 proposed OPTO budget overview
        - We will no longer be covering the software curriculum on behalf of the district
        - We reduced drama, community building, mini classes, and emergency preparedness supplies to align with expected costs
        - We increased field trips, reading/language arts, grounds enhancement (to maintain murals), and Parent Meeting childcare
        - Outdoor ed is budgeted at $13k to subsidize the cost across different grades - should we proceed with the same cost or just charge the actual cost for each grade and make scholarships available?
        - We could also waive Camp Parsons fees with what is in the savings account right now

		■ Discussion ● It would be helpful to promote what financial support is available, have more transparency around the process for scholarships and financial support, and clarify who qualifies for financial aid and the process to apply ● Money may need to be allocated for paraeducators to attend field trips ○ Officer election: OPTO Leadership Chair ■ Tessa Abshere was elected Leadership Chair ● Announcements ○ Upcoming events ■ Tues, 6/2 5:45 pm: Arts Night ■ Fri, 6/5 12:30 - 2 pm: Field Day ■ Thurs, 6/11 6:30 pm: 8th grade graduation ■ Weds, 6/17 4:30 - 5 pm: OPTO meeting ○ Open forum / Q&A ● Adjournment: 5:15 pm

    - Odyssey Classroom Participation Scholarship Fund with Eve
        - There are scholarship funds for outdoor ed and Camp Parsons, but there is a gap because there are a lot of asks during the year that are couched as voluntary
        - I don't want families to feel like they can't participate due to financial costs (e.g., teacher presents, meals to share, school supplies)
        - I propose each eligible student receive $50 in cash or by gift card
        - Family privacy is important

		■ Funds could be raised, or also included in the general budget ■ We have a line in our budget for $500 called Family Scholarships - I don't believe it has been used much ■ Are there ways to make the process more transparent, private, and responsive? ■ I wonder if people aren't comfortable asking or don't know about it ■ Normalizing different financial circumstances and economic needs, and ensuring the process is dignified, is also important ■ The Odyssey model and expectation for volunteering already narrows who is able to participate ○ Officer nominations ■ Alex Howe nominated for Co-President ■ Matt Goodrich nominated for Treasurer ○ Education Technology Committee creation ■ We'd like to form a committee that's focused on education technology, and the goal is that this is open and transparent conversation in partnership with teachers and leadership ■ This is not to push a particular outcome - it's to bring parents into the conversation in a structured way, and about being informed and finding a balance ■ The committee could also be a supportive resource for parents navigating unfamiliar technology with their children ■ It could be helpful to include student voices in the future ■ We're thinking about how to invite others to participate, develop a mission statement, and build out communication processes ■ Motion to approve, seconded, approved unanimously ● Announcements ○ Upcoming events ■ There is a Kindergarten welcome event on Tues, 3/31 that includes an optional bus ride ○ Open forum / Q&A ● Adjournment: 5:12 pm **Odyssey Classroom Participation Scholarship Fund with Eve** I propose that OPTO create and support an Odyssey Classroom

		Participation Scholarship Fund. This scholarship would be given to families with children enrolled at Odyssey who are struggling to afford the Odyssey-related costs that are not covered by other funds or scholarships, such as specific school supplies that are not provided by Project Backpack, class potluck items, communal classroom snacks, Kleenex, hand sanitizer, staff appreciation meals, teacher gifts, etc. This would help allow all students to participate in the classroom and school experience without causing additional financial stressors to their families. My proposal is that each Odyssey student whose family is very low-income and completes the required paperwork would be eligible to receive $50 in cash at the beginning of each school year. I don't know how many students would be eligible for this program but I'm guessing it would cost $800 total or less per school year. This program could follow the same process as when families apply for scholarships for Camp Parsons, Outdoor Ed, etc. For tracking purposes, parents/guardians could also sign a paper when they receive the money. If it does not feel acceptable to give cash, gift cards to Safeway or CVS, etc. could be given instead. This would be an ongoing annual scholarship that could start in the 2026-2027 school year. The scholarship could be part of the overall budget if the budget allows for that or there could be an annual separate fundraiser if needed.

- It could be interesting to explore reducing photos in the e-mail and instead linking back to a Konstella photo album
    - Konstella guidelines: We'll discuss community communication guidelines during the April Parent Meeting
    - Graduation party: There was a schoolwide dance and 8th grade graduation party last year - we need someone to spearhead it for this year
  - Treasurer update
    - We have a little over ~$75k total cash on hand
    - We've raised about $30k through the Big Give that includes Konstella and corporate matches received from PTOCC
    - Revenue are ~$49k and expenditures are ~$55k
    - We need $7k for what we've spent and ~$20k to prevent a shortfall at the end of the year
    - I'll provide a digestible budget update and breakdown during the next Parent Meeting
  - Secretary update
  - Leadership Chair update
    - I am reaching out to class reps to assess interest in serving next year
    - We're getting a lot of interest in the professionals' breakfast - that will end the Odyssey refresh efforts for this year
    - Bingo night is in the works
- Committee Reports
  - After School Enrichment update
    - There's a second session of chess that we're co-sponsoring with Ordway
    - There have been discussions with the district and PTOCC about after school activities and I'm working documenting our after school activity process
  - Camp Parsons update
  - Fundraising update
  - Communications update
  - Events update
  - Garden Committee
    - The next garden mini class session starts in session 7 and garden mini classes will run through the end of the school year

		■ We are looking for a new "garden motorized committee" lead to take care of mowing and weed whacking the garden and orchard year round ■ Garden work parties will be posted on the Konstella garden page ○ Mini Class update ○ Readiness & Resilience Committee update ● Unfinished Business ○ We're working on getting the budget, minutes, and bylaws on the OPTO website ● New Business ● Announcements ○ Upcoming events ○ Open forum / Q&A ■ If we're looking for other ways for people to donate, a gathering like a paint night could simultaneously garner donations and build community ■ The winter market, talent show, and other big events are missed opportunities for OPTO fundraising ● Adjournment: 5:18 pm

- Amii is interested in getting more systematic about how after school activities work - right now, it's up to each school
- She is concerned about the schools having equitable experiences
- This is on the agenda for the next PTOCC meeting on Thurs, 2/5 in the morning

■ Budget requests
- Aaron drafted a straightforward approach to formalize OPTO budget requests
- Information requested includes amount of money requested, frequency, source, description, and rationale

■ Parent meeting follow up
- I got good feedback from parents and it sounds like it raised some funds
- Michelle McVicker offered to set up Brown Bear carwash tickets again
- It would be interesting to form a fundraising committee - Alex is interested in leading it, and Shawna and Aaron are interested in participating

○ Treasurer
■ We've paid about $800 for pre-outdoor ed expenditures
■ We've spent about $40,000 across teacher compensation, mini classes, and events, and brought in about $30,000 in revenue

○ Secretary
○ Leadership Chair

Detailed Notes
- Roll call
- Called to order over Zoom: 4:34 pm
- Agenda and past meeting minutes approval
  - Motion to approve, seconded, approved unanimously
- Reports from OPTO members
  - Co-Presidents
    - The decorations and food for Teacher Appreciation today looked great
    - I heard positive feedback about the Parent Meeting and the desire for other student presentations
    - We had six people at Plate and Pint afterwards, which is five more than last time!
  - Leadership Chair
  - Treasurer
    - We received the final invoice for Camp Parsons
    - The district paid for Happy Numbers math curriculum (which was added as an amendment during the 9/30 OPTO meeting), but we will keep it in the budget and reevaluate it for next year
    - We've raised $4k of our $50k Big Give goal
  - Secretary
- New business
  - Discuss Camp Parsons 2026 date and next steps
    - We were unable to reserve the same weekend at Camp Parsons for next year, so we took the subsequent week, which is close to the 7/8 outdoor ed
    - We could see if we can get an earlier date with Camp Parsons, accept the current date, or identify another venue
    - A week later actually reduces conflicts for us and would allow us to stay overnight

		■ Communication with Camp Parsons is already a challenge - many new families are caught off guard and have difficulty requesting time off ○ Discuss additional budget adjustments ■ I am exploring a budget amendment to add robotics for tracking purposes only ■ Anything that involves charging money or going through Konstella should be in the budget per PTOCC ○ Clarify meeting purpose ■ We are obligated by PTOCC to have one meeting per month that is formal and has a quorum of the OPTO Executive Board ■ We tried combining them last year and it didn't work well ■ Everyone is welcome to these meetings and they're a great opportunity to better understand how OPTO works and ask questions ■ The leadership meeting is the first Wednesday of every month with teachers and class reps ○ Discuss fundraising opportunities ■ Is there a big ask coming up? ■ We don't have anyone to support messaging right now, so have only advertised on Konstella and through the Parent Meeting ■ Our goal is to fundraise 80% of our base budget through the Big Give - the remainder we try to get from the Move-a-Thon ● Adjourned: 4:57 pm

        - A Camp Parsons post-event survey was disseminated
        - We filled many of the volunteer roles during Camp Parsons
        - We need a second parent to help with photography and a second class rep for Anne's class
    - Leadership Chair
    - Treasurer
        - We have >$9,000 in checking and >$64,000 in savings
        - Bigger items already approved include the library Camp Parsons
        - There was about $1,000 in carryover from last year
        - We raised about $12,000 from Camp Parsons, which is a little short after taking into account facility and caterer costs
        - Upcoming expenditures include the 7/8 outdoor ed
        - We're in a good position overall as long as we do well on the Big Give and Move-a-thon
        - We should determine the amount needed per student for the Big Give and promote the link soon
    - Secretary
- New business
    - Budget Amendment: Add $500 for communication technology (radios)
        - Motion to approve, seconded, approved unanimously
    - Budget Amendment: Add $1,500 for Math Curriculum (Happy Numbers)
        - This curriculum is no longer covered by the district
        - It will be about 76 seats total focused on K-2
        - Motion to approve, seconded, approved unanimously
    - Other updates
        - Caleigh and Torin are working together on a rotary grant to fund mobile culinary kits for mini classes
        - We have $1,000 budgeted for field trips across the whole program - additional costs could be covered by an amendment or directly by families
        - It could be helpful for each class to have a budget - teachers' interest in that approach could be assessed
- Adjourned: 4:28 pm
